

**ACKNOWLEDGEMENT**

I hereby express my sincere and profound gratitude to my guide Dr. M.M.ALI, M.Com FDP, ( I.I.M.A. ) Ph.D. for his sympathetic and competent guidance and valuable suggestions, at every stage of my research work. His guidance and direction have been inspiring and valuable and it has been a good fortune to derive an eternal source of inspiration from his profound knowledge .

In spite of his busy engagements, he was very kind to go through the chapters, of the Dissertation and made corrections and suggested many improvements.

I wish to express my thanks to Dr. P.S. Rao Principal of SCIBER , for his co-operation and encouragement. My thanks are due to members of teaching and non-teaching staff of this institute for their co-operation.

I express my deep gratitude to the University Grants Commission, New Delhi, Management of our college and Prof. Dr. M. I. Bagsiraj Principal, Anjuman Arts, Science and Commerce College, Bhatkal for having given me the opportunity to complete this work under the Faculty Improvement Programme.

I owe a lot to my beloved friend Mr. Abdul Rashid H. Bankoor, DCE Proprietor, Hassan Bricks Industry, Aandinni, for his affectionate encouragement and help in completing the research.

I owe my hearty thanks to all the owners of brick-making units and workers respondents for their co-operation in furnishing the required data for my research work.

I thank the authorities of different banks, authorities of other institutions like Govt. Statistical Department, Karnataka State Financial Corporation, District Industries Centre, Khadi and Village Industries Board, Bijapur, Bagalkot Town Development Authority and Chief Librarian and Staff Karnatak University, Dharwad for their kind co-operation in the process of collection of data for this research.

I express my gratitudes to Mr. S.H. Qureshi, Chief Librarian, Anjuman College, Bhatkal and Mr. Ismail T., Chief Librarian, Anjuman Engineering College, Bhatkal, for the Special efforts put in by them for securing necessary books for my reference.

I am thankful to my brother Mr. K.M. Mulla and all co-brothers who helped me in processing statistical data.

I also thank my friends and all those who directly or indirectly helped me in my research work.

My sincere thanks are also due to Ms. N.B. Jamadar for the trouble taken in typing this volume neatly and well.

Finally, I am much beholden to my parents and sisters but for whose visible and invisible support and sacrifice this work could have been hardly completed.

Once again I thank one and all.
