LIST OF TABLES

Sr. No.	Table No.	Contents	Page No.
1.	4.1	Age wise information of the respondents with Designation.	48
2.	4.2	Information about Separate Testing Team to Test the Web Application.	49
3.	4.3	Information about Automation tools need to test web Application.	50
4.	4.4	Usage of Automation Tools	51
5.	4.5	Challenges of Usability Testing of Web Application	52
6.	4.6	Problems of Usability Testing of Web Application	54
7.	4.7	Other Challenges of Usability Testing of Web Application	56
8.	4.8	Other Problems of Usability Testing of Web Application	59
9.	4.9	Challenges of Functionality Testing of Web Application	61
10.	4.10	Problems of Functionality Testing of Web Application	63
11.	4.11	Other Challenges of Functionality Testing of Web Application	65
12.	4.12	Other Problems of Functionality Testing of Web Application	67
13.	4.13	Challenges of Security Testing of Web Application	68
14.	4.14	Problems of Security Testing of Web Application	70
15.	4.15	Other Challenges of Security Testing of Web Application	72
16.	4.16	Other Problems of Security Testing of Web Application	73
17.	4.17	Challenges of Performance Testing of Web Application.	75
18.	4.18	Problems of Performance Testing of Web Application.	77
19.	4.19	Other Challenges of Performance Testing of Web Application.	79
20.	4.20	Other Problems of Performance Testing of Web Application.	81
21.	4.21	Respondent's opinion on Performance testing of web application	82
22.	4.22	Respondent's awareness of Security Testing of Web Application.	83
23.	4.23	Information of Web Application Testing reduces maintenance cost	84
24.	4.24	Information of Testing improves quality of Web Application	85

25.	**4.25**	Information of Web Application Testing Quality dependency.	**86**
26.	**4.26**	Information of Organization uses model for Web Development	**87**
27.	**4.27**	Information on process improvement in testing improves quality.	**88**
28.	**4.28**	Information on Need of Special test cases for Websites heavily loaded with Ajax & Flash	**89**
29.	**4.29**	Information on Test coverage of web application dependency	**90**
