## **ACKNOWLEDGEMENTS**

## A C K N O W L E D G E M E N T

The author feels great pleasure in expressing his grateful indebtedness and sincere thanks to Dr. G. B. Dixit, Department of Botany, Shivaji University, Kolhapur, who encouraged to proceed with proposed dissertation and maintained the peace and patience with his constant and continuous efforts and liberal help during preparation of this Dissertation, and also to Late Prof. (Dr.) G. V. Joshi, Head, Department of Botany, for his encouragement throughout the work.

It is my great pleasure to express my sincere thanks to Dr. U. K. Kulkarni, Head, Department of Botany, Shivaji University, for his encouragement throughout the work. It is my pleasant duty to offer my sincere thanks to Dr. B. A. Hegade, Reader, Department of Botany, Shivaji University, for his valuable suggestions during this piece of work.

I am thankful to Prof. S. B. Bhosale, Principal, Mudhoji College, Phaltan and to Prof. L. H. Pawar, Head, Department of Botany, Mudhoji College, Phaltan, for their kind help during this research work. I also acknowledge the help rendered by my colleagues, Prof. D. D. Rananware, Prof. A. H. Kulkarni, Prof. G. K. More, Prof. S. S. Gaikwad and Prof. Ratnaparakhe.

My greatful thanks are due to Dr. P. D. Chavan, Dr. B. A. Karadge and Dr. J. D. Nimbalkar, for their help during my research work.

I greatfully acknowledge the help rendered by Mr. M. R. Lugade, Junior Research Fellow, Department of Botany, Shivaji University and other research students in the Botany Department. Mr. Deshmukh M. R., Artist, Botany Department and L. A. Gosavi, deserve special thanks for photography and typing work. I also acknowledge Shinde R. M., Mali and other gardeners of the Botany Department.

I am also thankful to every one whom I owe my credit directly or indirectly.
