

P R E F A C E

The importance of Banking as the centre of Economics development can not be over-emphasized. Banking has acquired a key position in mobilizing resources for defence and for socio-economic development of the country.

It is aptly said that, "Banking which are the need and great wealth of our country have got to be kept very sacred. There are at present diversified types of banks-commercial banks, co-operative banks, Urban Co-operative Banks, Industrial Banks, Agricultural Development Banks.

The banking trends acquired greater meaning during the sixties. The main purpose of research paper is to provide expert and detail knowledge on working of Urban Co-operative Banks and the various problems and trends that are facing the Urban Co-operative banking in Jath Town. Especially to the "Jath."

The present study is originally prepared for the special issue of partial fulfilment of degree of Master of Philosophy.
