I have the honour to offer my heartiest thanks to my research guide Dr. A.P. Waghmode, Department of Botany, Yashwantrao Chavan College of Science, Karad, under whose learned guidance and constant encouragement the present work was carried out and completed. It was really a pleasure and privilege to work with him.

I owe heavy debt of gratitude and indebtedness to Mr. P.D. Patil (Ex M.L.A.), Chairman, Board for Higher Education, Shri Shivaji Education Society, Karad for bestowing me an opportunity for improvement of qualification.

I remain extremely grateful to late Principal R.M.Raverkar whose unending efforts have always elevated the academic status of the college and beginning of M.Phil. course in this college is the result of the same. I am also thankful to Principal V.A. Jamdagni, B.G.Dhavale former Vice-Principal and Head of the Botany Department and Dr. L.S.Shinde for their cooperation and encouragement during completion of the present work.

I express my heartfelt gratitude to Prof. B.A.Hegde, Head of the Department of Botany, Shivaji University, Kolhapur for providing all necessary cooperation whenever needed.

With great pleasure, I express my deep sense of gratitude to the teaching and non-teaching staff of Yashwantrao Chavan College of Science Karad who have extended their cooperation and help to me.

People of my village, Yenake, many personalities from Karad and Kolhapur have provided me the most favourable environment for my education to reach this position. It is only impossible to list them here all. I am deeply indebted to them.

I wish to specially mention the help rendered and encouragement given by my beloved wife Mrs. Vijayamala and sons Ch. Vishal and Sagar.
