

: ACKNOWLEDGEMENTS :

While stepping in the door of the completion of my dissertation, numerous memories rush through my mind which are full of gratitude to those who encouraged and helped me at various stages of research work. It is absolutely difficult to offer my sincere gratitude to all of them by means of these frail words.

I express deep sense of gratitude - although words fail to express it - towards my research guide Dr. (Mrs.) S. S. Chitanavis, whose able guidance and constant encouragement enabled me to finalise this piece of work. The inspiration and fruitful suggestions by her contribute a lot in my research work. It is my privilege that I had the opportunity of working under guidance of such a perfectionist.

I owe a lot to late Prof. G. V. Joshi, who unfolded for me a new horizon in Botany. He encouraged me all the while and rendered maximum facilities during my research work.

I am immensely indebted to him and all other teaching staff members of the Department of Botany, Shivaji University, Kolhapur, and S. P. K. Mahavidyalaya, Savantwadi for their keen interest in my research work.

I gratefully acknowledge my indebtedness to L. C. H. H. Shivaram Raje Savant-Bhonsale and authorities of S. R. D. S. P. Mandal, Savantwadi for providing me all the necessary facilities for my research work.

I deem it fit as my pleasant duty to offer my warmest regards to Mr.M.R.Almeida and Mrs.Almeida for their kind co-operation and valuable help throughout the course of research and also providing me the library and laboratory facilities at Blatter's Herbarium at St.Xavier College, Bombay. Their continued interest and encouragement are largely responsible for achieving my goal.

I believe it as my pleasant duty to offer thanks to Prof.G.N.Aranke, Head, Department of Biology, S.P.K.Mahavidyalaya,Savantwadi, who helped me in poly-dimensional ways.

It is impossible to find the adequate expression to express my sincere and hearty gratitude to Dr.M.D.Tawde, Department of Geography, Dr.T.M.Patil, Dr.V.L.Savant, Dr.S.S.Wadje, Shri P.B.Pardeshi (JRF) Department of Geography and my friends for their encouragement, kind co-operation and valuable suggestions.

Lastly, grateful thanks are due to Shri Gosavi for his neat and skilful typing.
