

## P R E F A C E

Present research work tries to study the aspect of rehabilitation of the dam affected villages under Bhima (Ujjani) Irrigation Project in Solapur. The Bhima (Ujjani) Irrigation Project is one of the major schemes which has proved a boon for the agricultural development in 165 villages in Pandharpur, Madha, Malshiras, Mohol, Manjalwedha and North Solapur talukas of Solapur district. The analysis is based on the statistical information provided by the office of the concerned authorities of the project.

I am very much grateful to Dr. K. G. Pathan my research guide and Director, Bharati Vidyapeeth's Institute of management Solapur for his kind co-operation in completing this work.
