The present work "A Study of the Working of the Small-scale Engineering Industries in Dharwad City" has been conducted under the Teacher Fellowship Scheme of the University Grants Commission New Delhi. I sincerely acknowledge my thanks to the University Grants Commission for awarding me the Teacher Fellowship to do M.Phil. in Economics at Shivaji University, Kolhapur. I also thank the Directorate of Collegiate Education, Bangalore for having agreed to depute me for higher studies.

I sincerely thank my Guide Dr.R.G.Paithankar who was kind enough to guide me in each and every stage of my work.

I thank the Chairman of our Society Shri.R.S.Bangera and our Principal N.B. Ghodke who have extended their full cooperation in my endeavour.

I am grateful to Dr.P.S.Rao who helped me to take the best use of library and other facilities throughout my stay at Chh. Shahu Institute, Kolhapur.

I thank sincerely all the Small-scale Engineering Units at Dharwad who have spontaneously responded to our questionnaire and interview.

I also thank Shri.Umakant, General Manager, District Industries Centre, Dharwad who was kind enough to supply the necessary information about the industrial development of Dharwad district. I also thank Shri. Shivarudrappa of D.I.C. Dharwad.

I will be failing in my duties if I donot mention the names of my friends Shri.S.R.Hemachandrappa and Shri.P.G.Goudellar who have neatly typed the script.
