- iv) Others.

Section II

- 1) Name
- 2) Address
- 3) Age
- 4) Education
- 5) No. of members of family
- 6) Income sources -
 - a) Prior to milk occupation
 - i) from agriculture of Rs. ... p.a.
 - ii) from service of Rs. ... p.a.
 - iii) by other ways of Rs. ... p.a.
 - iv) total income of Rs. ... p.a.
 - b) Post-milk occupation
 - i) from agriculture of Rs. ... p.a.
 - ii) from service of Rs. ... p.a.
 - iii) by other ways of Rs. ... p.a.
 - iv) from milk occupation of Rs. ... p.a.
 - v) total income of Rs. ... p.a.

- 7) Whether your milk occupation is supplementary occupation? Yes / No
- 8) When have you started this occupation ?
- 9) Are you member of any P.D. Coop. society Yes / No
If yes, name of the P.D. Coop. society ...
- 10) Do you possess any agricultural land? Yes / No. If yes,

Sr. No.	Type of land	Hectares
1	Dry land (not irrigated)	
2	Wet land (irrigated)	
3	Barren	
4	Forest	
Total land		

- 11) How many dairy animals do you have?

Sr. No.	Type of Dairy Animal	Nos.	Age	Milk-ing animal	Dry Animals	Ster-ile	Use-less	Rear-ed home/purch-ased	Price in Rs.	Total invest-ment in Rs.
1	Buffa-loe									
2	Cross-breed cow									
3	Deshi cow									

- 12) Investment source of dairy animal

Sr. No.	Source of capital	Name of the institution providing loan	Total amount of loan	Rate of interest	Instalment in Rs.	Total investment	Duration of the loan
1	Own						
2	Bank						
3	KSDUPS						
4	Credit Societies						
5	Others						

a) Do you think that the instalment period is proper?

i) What is the present period?

ii) What is the expected period?

b) Is income of milk production adequate for all repayment of loan?

13) How much income you get from milk occupation?

a) Milk and income (first 6 months)

Sr. No.	Type of dairy animal	Milk in Ltrs.		Total Milk in Ltrs. per day	Rate of milk per Ltr. in Rupees	Per day income in Rs.	Monthly income in Rs.
		Morn- ing	even- ing				
1.	Buffalo						
2.	Cross- breed cow						
3.	Deshi cow						

B) Milk and income (next 6 months)

Sr. No.	Type of dairy animal	Milk in Ltrs.		Total milk in Ltrs. per day	Rate of milk per Ltr. in Rs.	Per day income in Rs.	Monthly income in Rs.
		Morn- ing	Even- ing				
1.	Buffalo						
2.	Cross- breed cow						
3.	Deshi cow						

14) Do you think that your income is increased due to milk occupation? Yes / No. If answer is yes, How much per annum in Rs. ...
