

A C K N O W L E D G E M E N T

In the preparation of this M.Phil dissertation I received guidance, help and cooperation from different quarters. I am deeply indebted to Dr. J.F.Patil (Reader, Department of Economics Shivaji University, Kolhapur) who as my Research Guide, took keen interest in my work. But for his critical comments, sympathetic encouragement and friendly help; it would not have been possible for me to complete this work.

I am grateful to Dr. V.B.Ghugre, Head, Department of Economics, Shivaji University, Kolhapur for his help and encouragement. I must record my sincere thanks to other members of the staff of the Department of Economics for their cooperation and help.

I am extremely grateful to the following persons.

1. Shri. Ganpati Shankar Mhetre, a progressive grape cultivator and his son Shri. Anandrao Mhetre of Tasgaon who made their privatelibrary accessible to me.
 - 2 Shri. Vikas Shete a progressive grape cultivator of Tasgaon for making his library available to me.
 - 3 The library staff of the college of Agriculture, Kolhapur
 4. The staff of the Barrister Balasaheb Khardekar Library, Shivaji University, Kolhapur.
 - 5 The staff of the Library of Kanya Mahavidyalaya Ichalkaranji
- I am particularly grateful to Shri. Ganpati Shankar Mhetre for the keen interest he took in my work and his whole hearted cooperation and encouragement.

I am grateful to Principal Abhyakumar Salunkhe, Secretary, Shri. Swami Vivekanand Shikshan Sanskha, Kolhapur and V.G.Valake former Principal and Mrs. Vijaya Patil, Present Principal of Kanya Mahavidyalaya, Ichalkaranji for the permission and encouragement, they gave me in the completion of my M.Phil course. I must also express my sense of gratitude to my colleagues in the college for their assistance and help. Shri. B.S.Patil my former classmate rendered immense help in the collection of primary data. I am grateful to him. I would further like to emphasise the fact that I could get the data in all its minute details with a great degree of reliability mainly because I happen to be a native of the village under study and more importantly because I was assisted in this data collection by Shri. B.S. Patil who has an excellent rapport with local farmers as he works as the secretary of ^{the local} credit society.

My feelings of indebtedness to my father and mother; without whose blessings I could not have completed this work, are beyond expression. I must thank my wife Sou. Meenaxi for the patience she showed during the completion of this work.

Mrs. Meenaxi More typed the dissertation neatly and intime. I am thankful to her.
