1	INTRODUCTION, SCOPE & RESEARCH METHODOLOGY 1.1 Introduction 1.2 History of the Goat Rearing 1.3 Breeds 1.4 Livestock Population of India 1.5 Growth of Goat & Sheep population in India 1.6 Share of Agriculture & Livestock Sector in GDP 1.7 Importance of Livestock in Indian Economy 1.8 Importance of goat rearing in rural development 1.9 Meat and meat products 1.10 Exports from livestock sectors 1.11 Research and Development 1.12 Value of output from livestock sector 1.13 Objectives of the study 1.14 Review of Literature 1.15 Research Design 1.16 Chapter Scheme References	1 - 48
2	STATUS OF GOAT & SHEEP REARING IN MAHARASHTRA 2.1 Introduction 2.2 The goat rearing in Maharashtra State 2.3 Goat production systems in Maharashtra State 2.4 Problems in goat & sheep rearing 2.5 Goat & sheep population in Maharashtra State 2.6 Growth of goat population in Maharashtra State 2.7 Fodders for Goats 2.8 Meat Production 2.9 Consumption 2.10 Exports of meats 2.11 Slaughterhouses in Maharashtra State 2.12 Goat milk production 2.13 Migratory Aspects 2.14 Important wool markets in the state 2.15 Goat and sheep co-operatives 2.16 Status of Goat occupation	49 - 74

	Conclusion References	
3	ANALYSIS AND INTERPRETATION OF DATA 3.1 Introduction 3.2 Tehsilwise Goat & Sheep population in Sangli district 3.3 Growth of Goat & Sheep population in Sangli district 3.4 Characteristics of sample households A. Distribution of selected households of the villages B. Religion & Caste wise classification of goat rearer C. Educational Status of sample households D. Highest Educational Level in goat rearer family E. Talukawise classification of the occupation F. Classification of sample houses who accept dairy occupation G. Classification of earning members in sample tehsil H. Classification of annual income from different sources I. Talukawise classification of available facilities of sample houses J. Classification of animal population in sample tehsil 3.5 Economic contribution of goat rearing in Miraj & Jath A. Introduction B. Value of Goat Assets C. Land and Trees D. Gross Receipts E. Net Receipts F. Composition of Receipts G. Composition of Expenditure H. Per goat receipts & expenditure I. Production & Disposal of Milk J. Sale of Goats K. Reasons for selling goats 3.6 Socio-Economic status of the goat farmers 3.7 Socio-Economic status of the sheep farmers References	75 - 130
4	MAJOR FINDINGS AND CONCLUSIONS 4.1 Introduction A. Sampling Procedure B. Findings C. Conclusions and Policy Implications	131-140
	THE ECONOMICS OF GOAT FARMING	141-149
	BIBLIOGRAPHY	150-152
	QUESTIONNAIRE	153-163

LIST OF TABLES

TABLE NO.	TITLE	PAGE No.
1	Livestock population in India	8
2	Growth of Goat and Sheep population in India	11
3	Share of Agriculture and Livestock sector in GDP	12
4	Value of output from livestock sector	31
5	The needs of meat and their availability	51
6	Divisionwise Goat and Sheep population in Maharashtra State	55
7	Growth of Goat and Sheep population in Maharashtra State	58
8	Number of registered slaughterhouses in Maharashtra State	63
9	Milk production in India	66
10	Important wool markets in Maharashtra State	69
11	Goat and Sheep Co-operatives in Maharashtra State	71
12	Tehsilwise Goat and Sheep population in Sangli district in 2007	79
13	Growth of Goat & Sheep population in Sangli district during 2003-07.	82
14	Villagewise selection of Goat Rearers	84
15	Tehsilwise distribution of selected villages & sample households	85
16	Religionwise classification of the respondents	87

17	Castewise classification of the respondents	87
19	Classification on the basis of education level of Goat Rearers	89
20	Classification on the basis of education level of wife of goat rearer.	90
21	Classification on the basis of highest education level of son	91
22	Classification on the basis of highest education level of daughter	92
23	Talukawise classification of the occupation	93
24	Annual income from different sources	98
25	Talukawise available facilities of sample houses	100
26	Per household Value of Livestock Assets	103
27	Per household Land and Trees on own land	104
28	Per household Gross Receipts in sample tehsils	105
29	Gross and Net Receipts from Livestock occupation (All households).	107
30	Gross and Net Receipts from Livestock occupation (Landless households)	108
31	Composition of Gross Receipts	109
32	Composition of Expenditure	110
33	Relative Composition of Expenditure in Livestock occupation (Per Household).	112
34	Per Goat Receipts and Expenditure	114
35	Average daily Goat Milk Output	115
36	Reasons for selling goats	119
