It gives me a great pleasure in expressing my deep sense of gratitude towards my research guide Dr.B.A.Karadge, for his valuable guidance, inspiration and encouragement. I doubt this piece of work would not have been completed without his help.

I am grateful to Dr.B.A.Hegde, Prof. and Head of the Botany Department, Shivaji University, Kolhapur for providing me the laboratory facilities during the period of this work.

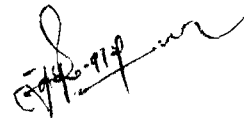

I am also thankful to Dr.P.D.Chavan for his kind co-operation

I may be failing in my duty, if I do not express my gratitude towards Prin.V.G.Valke, Prof.(Mrs.)S.V. Valke, Prof.S.S.Jadhav and Prof.A.I.Nagarji, A.S.C. College, Ichalkaranji.

I wish to acknowledge the immeasurable help extended to me by my friends Rajan, Sanjay, Prakash Navale, Pradeep, Arati and Salokhe. I must mention thanks to Ashok Sadle and V.P.Patil.

It would not be appropriate, if I do not express my deep sense of gratitude to my beloved parents, brothers Dada, Ashok and Gaju who have inspired and extended their help to me.

Shri R.K.Nikam has done a very neat and prompt job of typing in time. I owe a special word of thanks to him. My thanks are also due to Shri Ravan for his good tracing of graphs.
