

#### IV

#### ACKNOWLEDGEMENT

In writing this M.Phil. dissertation I have received help from many teachers and friends. It is my moral duty to express my debt of gratitude to all these persons.

I must express my heartfelt gratitude to Dr. J.F. Patil, my research guide, without whose encouragement and constant help I could not have completed this dissertation.

I am grateful to Dr. V.B. Ghuge, Dr. P.B. Kulkarni, Prof. N.K. Patil, Dr. S.S. Sahasrabudhe, who helped me all along the completion of this work.

I am also thankful to Prof. S.R. Patil, Principal of my college, who always encouraged me in my research work.

I must express my thankfulness to the respondents for their willingness in giving me all the information necessary. Prof. B.S. Suryagandh helped me in the drafting of the thesis. Shri Sharadkumar

contd.

Shete and Shri Balasaheb Mane, my students, helped me in the conduct of field work. I am thankful to them. I am also thankful to the officers of the Irrigation Department of Shri Warana Co-operative Sugar Factory, the Irrigation Officer of Kolhapur and Sangli Dist. and also the Deputy Registrars of Co-operative Societies of Kolhapur and Sangli Districts.
