

ACKNOWLEDGEMENT

I have great pleasure to have been associated with and privileged to work under the able and inspiring guidance of Dr.R.R. Doshi, Professor of Economics, University, Department of Economics, Shivaji University, Kolhapur, under whose keen supervision this dissertation has been prepared by me. I have been receiving his valuable suggestions and constant encouragement without which it would not have been possible for me to accomplish my purpose. I take this opportunity to acknowledging my sincere feelings of gratitude to and respect for his valuable help throughout the present work.

I am thankful to the members of the teaching and non-teaching staff of the University Department of Economics for their kind cooperation during my tenure of M.Phil course.

My heart-felt thanks are due to the officers and staff of the Kolhapur Agricultural Produce Market Committee Kolhapur without whose help this work would not have been possible. They supplied me necessary information whenever I approached them and made my work easy. A few of my friends also extended their assistance, I am thankful to them. I am grateful to Shri S.N. Pingale for typing this dissertation nicely and within short period.
