ACKNOWLEDGEMENT

It is my duty to offer my sincere thanks to my research guide, Dr. P. D. Chavan, Reader, Department of Botany, Shivaji University, Kolhapur due to whose encouragement I joined the M.Phil. course. I express my deep sense of gratitude to him for his able, masterly and valuable guidance.

My grateful thanks are due to Dr. B. A. Hegde (Head of the Botany Department) who was always reminding and encouraging me to complete the work as early as possible.

I sincerely acknowledge for the help rendered by Dr. B. A. Karadge and Dr. G. B. Dixit.

I am deeply indebted to Principal C. D. Joshi, G.K.G. College, Kolhapur for giving me the chance to join this course.

I am grateful to the authorities of University Grants Commission, New Delhi for kind sanction of the "Teacher Fellowship" without which this would not have been possible.

I am very much thankful for the help extended to me by Shri C. V. Murumkar, Shri S. G. Gaikwad, Shri R. R. Thombre, Shri A. B. Upadhye, Miss P. R. Wadkar and Miss S. V. Toro.

I am also thankful to other teaching non-teaching staff members in the department for their valuable help.

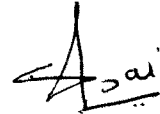

It would be ungracious if I don't acknowledge the co-operation extended by my family members. (Mr. A. G. Desai and Miss Rohini Desai).

I am thankful to Mr. Ravan for tracing work and
Mr. D. Y. Khot for prompt typing of dissertation.

Finally I express my deep sense of gratitude to all
