

STATEMENT - I

The present work is based on the discovery of facts which are new for Ipomoea fistulosa Mart. ex Choisy. Therefore this work is original one. This work has not been submitted previously for the award of any degree.

STATEMENT - II

This work reports a new investigation. The sources from which information is gathered have been listed in bibliography. The current journals, reviews and text-books have been extensively referred and correlated. Every attempt has been made to keep the reference work as up-to-date as possible.
