

A C K N O W L E D G E M E N T S

Right at the outset I would like to express my deep sense of gratitude to Dr. R.B. Dewasthalee, Reader, Department of Education, Shivaji University, Kolhapur, under whose able guidance I completed this dissertation. It was because of him that I undertook this work which otherwise would have ended in the fashion of a Quixotic adventure, had he not enlightened me from time to time. Indeed, he spared no pains in guiding me and to make a student like me work and work methodically speaks volumes of not only his abilities as a teacher but also of his tremendous patience. I feel I was remarkably lucky and singularly fortunate to work under him.

I think it is my bounden duty to make a special mention of the Late Principal K.B. Kelkar who happened to be my main source of inspiration throughout my career as a student of law and later a Lecturer in Law. Without his able guidance and supervision, I would never have advanced this far.

I am thankful to Dr. M.S. Sonar, Professor and Head, Department of Education, Shivaji University, Kolhapur and to Shri D.B. Kurne, Principal, Shahaji Law

College, Kolhapur for making available all the necessary facilities for conducting the study.

I would also like to thank Mr. Kawade for typing this dissertation accurately and in a very short time.
