

ACKNOWLEDGEMENT

I welcome this opportunity to express my deepest sense of gratitude to Dr. Joshi Anant N., Prof. School of Education, Y.C.M. Open University, Nashik who graciously consented to be my guide and allowed me to have privilege of his warm, sympathetic inspiration, valuable advice and encouragement with kind treatment.

I also express my deepest feelings to Dr. Sonar M.S., Prof. School of Education, Y.C.M. Open University, Nashik who has given proper guidance to fulfil my research work.

I am most fortunate for having the rare and personal guidance from Dr. Dewasthalee R.B., Head of the Department of Education, Shivaji University, Kolhapur. I am also indebted to him for his valuable suggestions.

Principal, Dr. Gurav K.S., V.N. College of Education, Kolhapur extended the fullest co-operation to me in various ways and providing me administrative help. I am grateful to him.

SHIVAJI UNIVERSITY KOLHAPUR

I also thank Mrs. Joshi Manasi for her precious help, without which the dissertation could not have been completed. I am indebted to her.

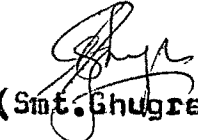

I also thank the students who helped me to conduct the experiment.

I have no words to express my feelings towards Mr. Joshi K.R. for completion of typing work of this dissertation within a very short period on my request.

I am indebted to my friends, Mrs. Sapre N.R. and Mr. Kulkarni V.G. for their fullest co-operation to me in various ways.
