

## LIST OF TABLES

Table Number	Particulars	Page Number
3.1	Table showing difficulty level of technical terms and vocabulary.	105
3.2	Table showing the complexity of vocabulary and sentences.	105
3.3	Table showing the adequacies of explanation of new terms.	106
3.4	Table showing the responses related to presentation and organization of content.	108
3.5	Table showing responses to the inclusion of important points.	108
3.6	Table showing responses related to correct information.	109
3.7	Table showing responses related to relevant examples.	109

---

Table Number	Particulars	Page Number
3. 8	Table showing responses related to sequencing of points in the organization of material.	110
3. 9	Table showing responses related to content test points and their organization	111
3.10	Table showing responses related to content coverage of the test.	112
3.11	Table showing responses related to ease in understanding of activities.	113
3.12	Table showing responses related to the challenging nature of the activities.	113
3.13	Table showing responses related to the interesting nature of the activities.	114

---

Table Number	Particulars	Page Number
3.14	Table showing responses related to ease of the activities.	114
3.15	Table showing responses related to difficulty level of activities.	115
3.16	Table showing responses related to clarity of instructions related to activities.	115
3.17	Table showing responses related to script for analysis.	117
3.18	Table showing responses related to guidelines of planning.	118
3.19	Table showing responses related to self-evaluation test.	119

Table Number	Particulars	Page Number
3.20	Table showing responses related to information regarding lesson planning	119
3.21	Table showing responses related to information of lesson planning and the model lesson plans	120
3.22	Table showing responses related to models	122
3.23	Table showing responses related to instructions of model lesson observations	122
3.24	Table showing responses related to skill acquisition of teaching	124
3.25	Inadequacies of the material	125
5.1.1	Table showing mean and standard deviation of pre-test	161
5.1.2	Table showing chi-square of means	162

Table Number	Particulars	Page Number
5.1.1.3	Table showing the means and Standard deviation of sub-categories of category 1.	163
5.1.1.4	Table showing chi-square of the means of pre-test.	165
5.1.2.5	Table showing the means and standard deviation of sub-category of thinking processes of pre-test.	166
5.1.2.6	Table showing chi-square of thinking process.	167
5.2.1.7	Table showing means and standard deviation of pre-test and post-test of four major categories.	169
5.2.1.8	Summary table of ANOVA of pre-test and post-test of antecedent category	170
5.2.1.9	Summary table of ANOVA of pre-test and post-test of thinking process	171

Table Number	Particulars	Page Number
5.2.1.10	Summary table of ANOVA of pre-test and post-test of content.	172
5.2.1.11	Summary table of ANOVA of pre-test and post-test of instructional moves.	174
5.2.2.12	Table showing means and standard deviation of pre-test and post-test of sub-category of antecedent.	176
5.2.2.13	Summary table of ANOVA of pre-test and post-test of preactive.	177
5.2.2.14	Summary table of ANOVA of pre-test and post-test of internal factor.	179
5.2.2.15	Summary table of ANOVA of pre-test and post-test of learner.	181
5.2.2.16	Summary table of ANOVA of pre-test and post-test of material.	183

Table Number	Particulars	Page Number
5.2.2.17	Table showing means and standard deviation of pre-test and post-test of sub-category of thinking process.	185
5.2.2.18	Summary table of ANOVA of pre-test and post-test of retrieval.	186
5.2.2.19	Summary table of ANOVA of pre-test and post-test of perception.	188
5.2.2.20	Summary table of ANOVA of pre-test and post-test of interpretation.	190
5.2.2.21	Summary table of ANOVA of pre-test and post-test of reflection.	192
5.2.3.22	Summary table of ANOVA of pre-test and post-test of single category.	194

Table Number	Particulars	Page Number
5.2.3.23	Summary table of ANOVA of pre-test and post-test of double category.	196
5.2.3.24	Summary table of ANOVA of pre-test and post-test of triple category.	198
5.2.3.25	Summary table of ANOVA of pre-test and post-test of all four categories.	200
5.3.26	Table showing means and standard deviation of pre-test and post-test of G.T.C.	203
5.3.27	Summary table of ANOVA of pre-test and post-test of G.T.C.	204
5.3.28	Summary table of ANOVA of pre-test and post-test of formative evaluation teaching skill.	205
