## ACKNOWLEDGEMENTS

It is a great pleasure to express my gratitudes to Prof.U.K.Kulkarni, Head of the Department of Botany, Shivaji University, Kolhapur, for his valuable guidance and encouragement without which this piece of work would not have been concluded.

It is my pleasant duty to offer my sincere thanks to Miss M.D.Sawant for her general help. My grateful thanks to Dr.P.D.Chavan, Dr.B.A.Karadge and Mr.P.M.Gokhale for their valuable suggestions and help during my research study.

I, greatfully acknowledge the help rendered by teaching staff, non teaching staff, research students and teacher fellows of the department. My family members always provided most favourable environment for my education as well as research. My gratitude to them knows no bounds. I, wish to specially mention the help rendered and encouragement given by my beloved Sulumavashi.

I am thankful to Mr.R.K.Nikam and Patil B.S. (Kavalapur) for help in typing this dissertation. I am also thankful to Mr.C.R.Patil, Mr.Angadi, Mr.Lugade and Mr.Deshmukh for photography.

At & Post Kavalapur, Dist.Sangli.

( S.N. Patil )
