This is to certify that Shri Allamaprabhu S. Ravikirti has completed this research project entitled 'The Study of Personality Competence in Scheduled Caste Adolescents of Junior Colleges in Kolhapur City', in partial fulfillment of conditions laid down for the degree of Master of Philosophy in Education of the Shivaji University, Kolhapur. This is his original work to the discipline, which he has completed on his own intellectual and physical efforts. I thus recommend that the thesis may be forwarded for evaluation.
