

ACKNOWLEDGEMENT

I have a great pleasure in expressing my deep sense of gratitude to my learned and experienced guide **Dr. Rekha B. Topkar**, Head, Department of Education Sangli for her able and generous guidance, valuable advice and constant encouragement which enabled me to overcome the obstacle encountered during this work. This dissertation would not have seen the light of day without her untiring efforts and great pains that she took in going through the entire manuscript.

I am very thankful and indebted to **Dr. M.S. Padmini**, Head, Department of Education and **Dr. Mrs. C.M. Yeole**, Reader and In charge of **M.Phil** course and all the staff of the Department of Education, Shivaji University, Kolhapur for their inspiration to continue and complete this research work on time.

I am thankful to my family members and friends for their kind co-operation and help.

As well, I am highly indebted to **Mr. Bhogam** Principal Susanskar High School, Chairman **M.H. Magdum**, **Mr. Kalke** Mathematics teacher and staff members of Susanskar High School, Kolhapur for their kind co-operation in the collection of data for the pre-test and post-test and for demonstration of computer programme.

My sincere thanks are to the students of eighth standard for giving me full co-operation and for abiding my requests for completion of this work.

My appreciation and thanks are also due to my friends, well wishers, relatives, mother and in particular to my life partner for their co-operation in the successful completion of the present research study which has been brought out in the form of this dissertation.

I am also thankful to **Apun** for typing this dissertation neatly.
