

## LIST OF TABLES

TABLE NO.	DESCRIPTION	PAGE NO.
1.1	Role of a teacher in the creation of constructivist learning environment.	9
3.1	Different Tasks of researcher and tools used	38
3.2	Changes related to the objectives suggested by the experts and acceptance and not acceptance of it.	42
3.3	Changes related to the objectives suggested by the experts and reasoning for non-acceptance	43
3.4	Changes related to the objectives suggested by the experts and improvements done by researcher	44
3.5	Changes related to the constructions of knowledge suggested by the experts and acceptance and not acceptance of it.	47
3.6	Changes related to the questions suggested by the experts and acceptance and not acceptance of it.	49
3.7	Changes related to the constructions of knowledge suggested by the experts and reasoning for non-acceptance.	61
3.8	Changes related to the questions suggested by the experts and reasoning for non-acceptance.	61
3.9	Changes related to the constructions of knowledge suggested by the experts and improvements done by researcher	62
3.10	Changes related to the constructions of knowledge suggested by the experts and	64

	improvements done by researcher.	
3.11	Data collection from school No.1	73
3.12	Data collection from school No.2	74
3.13	Data collection from school No.3	74
3.14	Data collection from school No.4	75
3.15	Data collection from school No.5	75
3.16	Data collection from school No.6	76
3.17	Data collection from school No.7	76
3.18	Data collection from school No.8	77
3.19	Data collection from school No.9	77
4.1	Percentage of the NCF,2005 objectives according to Bloom's Cognitive Taxonomy	81
4.2	Percentage of the NCF,2005 objectives according to Krathwohl's Affective Taxonomy	82
4.3	Percentage of the NCF,2005 objectives according to Simpson' Taxonomy	83
4.4	Percentage of Objectives framed by Maharashtra State Bureau of Textbook Production and Curriculum Research of teaching English according to Bloom's Cognitive Taxonomy	84
4.5	Percentage of Objectives framed by Maharashtra State Bureau of Textbook Production and Curriculum Research of teaching English according to Krathwohl's Affective Taxonomy	86
4.6	Percentage of Objectives framed by Maharashtra State Bureau of Textbook Production and Curriculum Research of teaching English according to Simpson's psychomotor Taxonomy	87

<b>4.7</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.13	<b>89</b>
<b>4.8</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.14	<b>91</b>
<b>4.9</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.15	<b>93</b>
<b>4.10</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.17	<b>95</b>
<b>4.11</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.18	<b>98</b>
<b>4.12</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.19	<b>101</b>
<b>4.13</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.22	<b>103</b>
<b>4.14</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.23	<b>105</b>

<b>4.15</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.24	<b>107</b>
<b>4.16</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.27	<b>110</b>
<b>4.17</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.28	<b>112</b>
<b>4.18</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.29	<b>114</b>
<b>4.19</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.30	<b>116</b>
<b>4.20</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.31	<b>118</b>
<b>4.21</b>	Comparison of teachers' Questions and expected questions for the knowledge construction in lesson no.32	<b>120</b>
