

ACKNOWLEDGEMENT

It gives me pleasure to express my sincere thanks to Dr. S. R. YADAV, M.Sc.,Ph.D., a devoted researcher and a devoted teacher, for suggesting this problem and for continuous guidance throughout my work.

I am thankful to Prof. B. A. Hegade, Head of Botany Department, Shivaji University, Kolhapur for providing all research facilities.

My sincere thanks to Principal S. V. Khanapure, Sangameshwar College, Solapur and to Dr. R. S. Dhepe, Head of Botany Department, Sangameshwar College, Solapur for their kind co-operation and constant encouragement.

I am grateful to Dr. G. B. Dixit and to Dr. P.D. Chavan for their valuable suggestions and help throughout the research work.

I mention my special thanks to Mr. I. I. Mujawar and my colleagues of Angiosperms Research Laboratory for their help in collection of some species of Ceropegia.

I am indebted to all staff members of Botany Department, Shivaji University, Kolhapur for their kind co-operation.

Lastly I am obliged to all non-teaching staff and gardeners of Botany Department for their valuable help.

V. N. PATIL
