

Acknowledgement

I would like to express my deep sense of gratitude towards my guide Dr. B.A. Karadge, Department of Botany, Shivaji University, Kolhapur, for his able guidance and encouragement during the course of this work. His love, perfect approach, thorough knowledge of the subject and skill in the various experimental techniques enlightened me to complete this study.

I am very much thankful to Dr. B.A. Hegde, Head of the Department, for his constant encouragement and facilities provided by him.

I wish to offer my sincere thanks to Dr. P.D. Chavan, Dr. T.M. Patil and Dr. G.B. Dixit for their valuable suggestions and encouragement during this work.

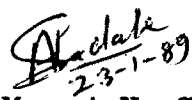

My special thanks are due to my parents and family members for their interest and encouragement in my work.

I wish to express my sincere thanks to all my friends for helping me in one way or the other during this period of work.

I would also like to thank Shri P.R. Chougule for his prompt typing the thesis and Shri Ravan for the nice tracing work.

Kolhapur,
