

ACKNOWLEDGEMENT

I have great pleasure in expressing my deep sense of gratitude to my learned and experienced guide Dr. R.B. Dewasthalee, M.A., M.Ed., Ph.D. for his able and generous guidance, valuable advice and constant encouragement which enabled me to overcome the obstacles encountered during this work. This dissertation would not have seen the light of day without his untiring efforts and great pains that he took in going through the entire manuscript.

I am also greatly indebted to Principal G.S. Khasbardar, Tavanappa Patane High School, Kolhapur for giving continuous encouragement and required help for this research work.

I am also highly indebted to all the Principals and teachers of Secondary Schools of Kolhapur City (Marathi Medium) for their co-operation in collection of the data for the investigation.

My sincere thanks are due to the interviewees working in Junior and Senior Colleges of Education and High Schools for giving me the required information.

I am also thankful to Shri B.B. Kawade for typing this dissertation so neatly.
