

## ACKNOWLEDGEMENTS

I would like to express my deep sense of gratitude to my honourable guide Dr. M.S.Patil, Department of Botany, Shivaji University, Kolhapur, for his constant encouragement, efforts and most valuable guidance; without which this piece of work would not have been possible.

I wish to thank Dr. I.R.Hall, Invermay Agricultural Research Centre, Private Bag, Mosgiel, New Zealand; Professor Norman C. Schenck, Plant Pathology Department, University of Florida and Dr. Jame M. Trappe, Forest Service Station, U.S. Department of Agriculture, Pacific North West Forest and Range Experiment Station, Forestry Science Laboratory Corvallis, Oregon, for their helpful comments and help they had extended for identification of Endogonaceae; also for providing most <sup>to</sup> update scientific communications.

My sincere thanks are to Dr. U.K.Kulkarni, Professor and Head, Department of Botany, Shivaji University, Kolhapur, for providing laboratory facilities and to the Principal, S.G.M. College, Karad, District Satara, for the help and encouragement.

I also thank the authorities of the Shivaji University and Rayat Shiksham Sanstha (Satara) for providing me necessary facilities for this work.

I believe it as my pleasant duty to offer thanks to my affectionate friends, Shri B.D.Kundalkar, Shri S.V.Jagdale,

Shri M.P.Chavan, Shri S.H.Mahamulkar for their valuable help.

Lastly, greatful thanks are due to Shri P.T.Patil, for his neat and most skilful typing and Prof. H.R.Deshmukh, New College, Kolhapur, for his efforts in microphotography.

Kolhapur,  
14th May 1984.

  
(D.N.Jadhav)  
Candidate.
