

ACKNOWLEDGMENT

It is a great pleasure to express my sincere thanks to all my well wishers who have directly or indirectly helped me in completing this Dissertation.

My hearty thanks and gratitude goes to **Dr A. S. Vaingankar** (Reader, Department of Electronics) and I consider myself fortunate to get an opportunity to work under his guidance.

I sincerely thank **Dr. S H Power** (Head of the Department of Physics and Electronics) for providing the opportunity to undertake studies in M.Phil(Electronics).

I am thankful to **Mr. Nigavekar** (K.I.T., Kolhapur) for being very kind in providing his valuable guidance and sponsorship for my Dissertation “Design of Advance Programmable Logic Controller”

I also express my thanks to all the professors of Electronics Department for giving me helpful suggestions.
