ACKNOWLEDGEMENTS

I would like to express my deep gratitude towards the following persons without whose help, support and encouragement this thesis would not have been possible.

Dr. Maya Narker, for her guidance and for showing me the right direction when I seemed to wander.

Dr. S.V. Shastri, former head of the department of English, Shivaji University for his invaluable help during the early part of my work.

Dr. Jahagirdar, Head of the Department of English for shoeing the pataince which was required while guideing me.

All the members of my family for their sincear support, perticularly my little baby Advait for being wonderfully well behaved.
