

## **ACKNOWLEDGEMENT**

I have the honour to offer my heartiest thanks to Dr.T.M. Patil, Reader, Department of Botany, Shivaji University, Kolhapur, under whose encouragement and learned guidance, the present work was carried out and completed. It was really a pleasure and privilege to work under him. But for his prompt and willing help and guidance, this work would have stagnated. Words are too frail to thank him adequately.

With great pleasure, I owe a debt of gratitude to Professor (Dr.) B.A.Hegade, former Head, Department of Botany, for his constant affectionate encouragement and critical suggestions for carrying out this work. I am grateful to Dr. M.S.Patil, Profesdsor and Head, Department of Botany, Shivaji University, Kolhapur for providing me all departmental facilities and library facilities.

It is my duty to express my indebtedness to U.G.C. authorities, University authorities and Shri R.G. Desai for awarding and granting the Teacher Fellowship. It is pleasure to thank Dr. Vijaya Kerakar, Department of Goa University, and my friend Shri K.G. Hiremath for their help in identification of species. I am very much thankful to authorities of National Institution of Oceanography, Panaji for rendering me generous help in many respects. I am grateful to Dr.T.K. Biswas, Scientist, NFBGA, IARI, New Delhi for helping in analysing the C, H, N content of Algae.

I owe special thanks to Dr. G.R. Hegade, Department of Karnataka University, Dharwar for his generous help in many respects.

I also thank Miss Geeta Gosavi for her neat and prompt typing, Shri P.V. Ravan for art work, SDhri Deshmukh for photography and Shri Bhiungade for neat binding.

I express my indebtedness to Shri Prabhakar Kore, Chairman, K.L.E. Society, Prin. S.B.Patil, Secretary, K.L.E. Society Belgaum, Shri A.G. Bagewadi and Prin. B.S. Akki for permitting me to complete this work. I must thank the teaching, non-teaching and students of G.I. Bagewadi College, Nipani, for constant encouragement and cooperation.

I am also grateful to the members of family of Dr. T.M.Patil for the hospitality they extended to me whenever I visited.

I must acknowledge the sense of gratitude to my parents, brothers and other family members for their constant encouragement and inspiration. I specially thank my beloved wife Mrs. Meenaxi and daughters Miss Pratibha, Shilpa and Priyanka for their monumental patience and kind help.

I wish to render my most grateful thanks to Shri B.A. Kore and Miss Deshpande for their help during my work.

Lastly, I thank my all friends and well wishers who have helped me directly and indirectly.
