

## LIST OF FIGURES

FIGURE No.	T I T L E	PAGE NO.
1	Effect of leaf leachates of different plant species on growth of <u>Sorghum bicolor</u> (L.) Moench seedlings at two germination stages.	57
2	Effect of leaf leachates of different plant species on growth of <u>Vigna mungo</u> Linn seedlings at two germination stages.	58
3	Effect of leaf leachates of different plant species on water uptake during germination (at 12 h ) of (A) <u>Sorghum bicolor</u> (L.) Moench and (B) <u>Vigna mungo</u> Linn. seeds	63
4	Effect of leaf leachates of different plant species on Respiration rate in seedlings of (A) <u>Sorghum bicolor</u> (L.) Moench and (B) <u>Vigna mungo</u> Linn.	68
5	Effect of leaf leachates of different plant species on Dehydrogenase activity in seedlings of (A) <u>Sorghum bicolor</u> (L.) Moench and (B) <u>Vigna mungo</u> Linn.	73
6	Effect of leaf leachates of different plant species on Nitrate reductase activity in seedlings of (A) <u>Sorghum bicolor</u> (L.) Moench and (B) <u>Vigna mungo</u> Linn.	78

FIGURE NO.	T I T L E	PAGE NO.
7	Effect of leaf leachates of different plant species on Potassium content in seedlings of (A) <u>Sorghum bicolor</u> (L.) Moench and (B) <u>Vigna mungo</u> Linn.	90
8	Effect of leaf leachates of different plant species on Calcium content in seedlings of (A) <u>Sorghum bicolor</u> (L.) Moench and (B) <u>Vigna mungo</u> Linn.	94
9	Effect of leaf leachates of different plant species on Magnesium content in seedlings of (A) <u>Sorghum bicolor</u> (L.) Moench and (B) <u>Vigna mungo</u> Linn.	99
10	Effect of leaf leachates of different plant species on Phosphorus content in seedlings of (A) <u>Sorghum bicolor</u> (L.) Moench and (B) <u>Vigna mungo</u> Linn.	102
11	Effect of leaf leachates of different plant species on Manganese content in seedlings of (A) <u>Sorghum bicolor</u> (L.) Moench and (B) <u>Vigna mungo</u> Linn.	106
12	Effect of leaf leachates of different plant species on Iron content in seedlings of (A) <u>Sorghum bicolor</u> (L.) Moench and (B) <u>Vigna mungo</u> Linn.	109
13	Effect of leaf leachates of different plant species on Zinc content in seedlings of (A) <u>Sorghum bicolor</u> (L.) Moench and (B) <u>Vigna mungo</u> Linn.	112
