

## A C K N O W L E D G E M E N T S

It gives me great pleasure to express my deep sense of gratitude to Dr. S.V. Shastri, Reader, in English, Shivaji University, Kolhapur, for his valuable and encouraging guidance while doing my Dissertation Work. But for his indulgence and supervision this work would not have been completed in time.

I am grateful to my parents as well who encouraged and inspired me all the while and to my friends who helped me in many ways.

Finally, I wish to express my gratitude to all those who helped me directly or indirectly in the completion of this work.
