

College, Sangli for their invaluable help. I wish to acknowledge the immeasurable help extended to me by my colleagues, Prof. Patil, Prof. Jadhav and all M.Sc. students in completion of this dissertation work.

A special mention is made to offer my cordial thanks to Prof. Pramod Tamhakar, Shri Namadeo. B. Pawar who extended his valuable time for making this dissertation to the final shape from time to time.

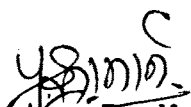

I thank our Librarian, Shri Y.S. Raste and other Library staff for their kind cooperation in extending the reference books as and when needed.

Further I owe my thanks to Mr. M. I. Mujawar and other non teaching staff of Botany Department who extended their cooperation and help to me.

I am also thankful to Shri V G Kulkarni, Standard Documentation Services, Vishrambag for his neat and prompt typewriting work. My thanks are also due to Shri C.A. Gaikwad for tracing the graphs neatly.

I dedicate this work to my family members who encouraged me by extending all kinds of help to develop good career throughout my educational life.

Finally, I express my deep sense of gratitude to all my well wishers.
