

IV

List of Figures

Chapter	Figure	Caption	After Page
II	1	Effect of increasing concentrations of salinity on the growth of Sugar-cane Var. Co 419.	7
II	2	Effect of increasing concentrations of salinity on the growth of Sugar-cane Var. Ts 8.	8
II	3	Effect of increasing concentrations of salinity on the growth of Sugar-cane Var. Ts 1.	9
III	4	Effect of increasing concentrations of salinity on Sodium content of Sugarcane Var. Ts 1, Ts 8 & Co 419.	20
III	5	Effect of increasing concentrations of salinity on Potassium content of Sugarcane Var. Ts 1, Ts 8 & Co 419.	24
III	6	Effect of increasing concentrations of salinity on K/Na ratio of Sugar-cane Var. Ts 1, Ts 8 and Co 419.	26
III	7	Effect of increasing concentrations of salinity on Calcium content of Sugarcane Var. Ts 1, Ts 8 & Co 419.	29
III	8	Effect of increasing concentrations of salinity on Na/Ca ratio of Sugar-cane Var. Ts 1, Ts 8 and Co 419.	30
III	9	Effect of increasing concentrations of salinity on Magnesium content of Sugarcane Var. Ts 1, Ts 8 and Co 419.	31

Chapter	Figure	Caption	After Page
III	10	Effect of increasing concentrations of salinity on phosphorus content of Sugarcane Var. Ts 1, Ts 8 and Co 419.	34
III	11	Effect of increasing concentrations of salinity on Iron content of Sugarcane Var. Ts 1, Ts 8 and Co 419.	37
III	12	Effect of increasing concentrations of salinity on Mangesium content of Sugarcane Var. Ts 1, Ts 8 and Co 419.	38
III	13	Effect of increasing concentrations of salinity on Zinc content of Sugarcane Var. Ts 1, Ts 8 and Co 419.	40
III	14	Effect of increasing concentrations of salinity on Copper content of Sugarcane Var. Ts 1, Ts 8 and Co 419.	42
III	15	Effect of increasing concentrations of salinity on the Boron content of Sugarcane Var. Ts 1, Ts 8 and Co 419.	43
IV	16	Effect of increasing concentrations of salinity on the Nitrogen content of Sugarcane Var. Ts 1, Ts 8 and Co 419.	52
