

ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude to my research guide Dr. Jay S Samant, Professor and Head , Department of Environmental Science, for suggesting the research problem, and guidance and encouragement given during the study.

My thanks are due to Dr. Anuradha Samant for help in formulating questionnaire, for her necessary guidance, inspiration and parental care. I also express my sincere thanks to all my teachers in the department for their support. I will like to express my feeling for my colleagues and friends and the non-teaching staff for their unfailing support and co-operation during my research.

My special thanks to Miss. Vaishali V. Patil of Department of Statistics for timely help in the statistical analysis of the data. I thank Smt R.R. Bhosale (Warden, Ladies Hostel), Mr. S. Waghmare (Dept. of Zoology .) and Mr. Sutar for their moral support and kind co-operation. My sincere thanks to Ayarekar, Mane, Nalawade and Sakharia families for their inspiration and co-operation in my good and bad times and during the study period

I would like to thank my family members for their constant encouragement, inspiration and love to me. Their sacrifices have been a great motivating factor in my academic carrier.

Last I take this opportunity to thank all those, particularly the villagers in the study area, who made this work possible.
