

List of Figures

1. Mineral elements and ash percentage from the seedlings of Avicennia officinalis 54
2. Mineral elements and ash percentage from the seedlings of Aegiceras corniculatum 55
3. Mineral elements and ash percentage from the seedlings of Acanthus ilicifolius 56
4. Mineral elements and ash percentage from the seedlings of Sonneratia alba 57
5. Mineral elements and ash percentage from the seedlings of Lumnitzera racemosa 58

6. Mineral elements and ash
percentage from the seedlings of
Cerriops tagal 59
7. Mineral elements and ash
percentage from the seedlings of
Rhizophora mucronata 60
