

## List of Figures

| Sr.No. | Fig No. | Title  | Page No. |
|--------|---------|--|----------|
| 1      | 2.1     | Location of Study Region                             | 8        |
| 2      | 2.2     | Physiography   | 10       |
| 3.     | 2.3     | Drainage Pattern                                     | 11       |
| 4      | 2.4     | Landuse Pattern                                      | 14       |
| 5      | 2.5     | Cropping Pattern                                     | 16       |
| 6.     | 2.6     | Land Under Irrigation                                | 18       |
| 7.     | 2.7     | Occupational Structure                               | 20       |
| 8.     | 3.1     | Physiography And Distribution of Rural settlements   | 26       |
| 9.     | 3.2     | Drainage Density                                     | 29       |
| 10.    | 3.3     | Percentage of land Under forest                      | 31       |
| 11.    | 3.4     | Population Density                                   | 33       |
| 12.    | 3.5     | Percentage of Land Under Agriculture                 | 36       |
| 13.    | 3.6     | Percentage of Land Under Irrigation                  | 39       |
| 14.    | 3.7     | Road Density   | 41       |
| 15.    | 3.8     | Spatial Distribution of Rural settlements            | 44       |
| 16.    | 3.9     | Decadewise Growth of Rural settlements.              | 46       |
| 17.    | 3.10    | Population size of Rural Settlements-1981            | 48       |
| 18.    | 3.10 B  | Population size of Rural settlements-1991            | 49       |
| 19.    | 3.11    | Decadal Growth Rate of Rural settlements - 1981-1991 | 51       |

|     |       |   |           |
|-----|-------|---|-----------|
| 20. | 4.1   | Decadewise Growth pattern of Rural Population 1951-2001   | 57        |
| 21  | 4.2A  | Villagewise Population Density-1981   | 62        |
| 22  | 4.2B  | Villagewise Population Density - 1991   | 63        |
| 23  | 4.3 A | Physiological Density - 1981  | 65        |
| 24  | 4.3B  | Physiological Density -1991   | 66        |
| 25  | 4.4A  | Agricultural Density-1981   | 68        |
| 26  | 4.4B  | Agricultural Density-1991   | 69        |
| 27  | 4.5   | The Sex structure 1951-1991   | 71        |
| 28  | 4.6   | The literacy Structure 1981-1991  | 73        |
| 29  | 4.7   | Occupational structure-1991   | 75        |
| 30  | 4.8   | Villagewise Density of Scheduled Caste Population-1991  | 78        |
| 31  | 4.9   | Villagewise Density of Scheduled Tribe Population-1991  | 80        |
| 32  | 5.1   | Types of Rural settlements  | 87        |
| 33  | 5.2   | Fragmented type of Rural settlements  | 90        |
| 34  | 5.3   | Disperse Type of Rural settlements.   | 91        |
| 35  | 5.4   | Composite Type of Rural settlements   | 92        |
| 36  | 5.5   | Compact Type of Rural Settlements   | 93        |
| 37  | 5.6   | The square village Pattern, Elongated, Circular,<br>Irregular, linear, Amorphous, Shapeless Agglomeration<br>Pattern. | 96-<br>98 |
| 38  | 6.1   | Hierarchy of Rural Service Centre And Their linkages.   | 106       |
| 39  | 6.2   | Grouping of Rural Service Centres.  | 107       |
