It is a nostalgic trip down the memory lane. I poignantly reminisce the genial and reverberating atmosphere in this highest echelon of learning. Albeit the words are vehicles of sentiments, in reality, they seldom express the innate emotions. Nevertheless, it will be an unpardonable^{lapse} if I fail to reckon and acknowledge the unflinching help and co-operation extended to me by one and all, in completion of this work.

I have the paramount pleasure, and honour to be indebted to my my guide Dr.(Mrs.) S.S.
