### ACKNOWLEDGEMENTS

It is a great pleasure to express my deep gratitude towards Dr. Prof. M.S. Patil, Botany Department, Shivaji University, Kolhapur for his keen interest, encouragement and guidance throughout this work. I am thankful to Prof. B.A. Hegade, Head, Department of Botany, Shivaji University, Kolhapur for encouragement and facilities. I gratefully acknowledges the U.G.C., New Delhi for providing Teacher-Fellowship under Faculty Improvement Programme.

I am also thankful to the Principal, Arts, Science, Commerce College, Panvel and the authorities of Rayat Shikshan Sanstha for availing this research facilities. Thanks are also due to Dr.Ove E.Eriksson (Sweden), U.Braun (Germany), J.D.Rogers (Washington) for rendering their co-operation for the valuable literature.

Special mention is necessary to the help given by my M.Phil. colleagues and research students. I am also thankful to artist Deshmukh M.R. for his skilful help in photography and to Shri Chougule for accurate typing.

I must also mention the love of my parents and wife whose intense enthusiasm and constant inspiration has brought me up to the present status.

(ii)

Finally, I express my deep sense of gratitude to  
all those who encouraged and helped in my research work.

Kolhapur,
