

ACKNOWLEDGEMENT

Interdependence is certainly more valuable than independence. During my research work I have been accompanied and supported by many people. It is a pleasant aspect that I have now opportunity to express my gratitude to all those who gave me the possibility to complete this dissertation.

I would like to express my deepest heartfelt thanks to my guide Dr. B. D. Patil for his competent supervision, continuous support to this work. His excellent academic guidance, his useful insights into interpreting my experimental results, his warm personality and encouraged me and further my development as a scientific researcher. During the preparation of this dissertation, I always felt his support and guidance.

I am very much indebted to Dr. S. T. Tilak, Dr. S. B. Jogdand, Dr. S. S. Kamble, Dr. V. P. Khandekar and Dr. A. V. Karne for their valuable guidance, suggestions and intensive help during preparation of this dissertation.

It is my pleasant duty to offer my sincere thanks to Dr. G. B. Dixit, Head of the dept. of Botany, Shivaji University, Kolhapur and Dr. P. D. Chavan for his inspiration and providing the Departmental laboratory and library facility during the research work.

I wish to thank Dr. A. S. Bhoite, principal, Y.C.I.S, Satara, for providing facilities to work in college laboratory. I deem it my pleasant duty to offer thanks to Dr. V. P. Khandekar, Head of the dept. of Botany, Y.C.I.S. Satara, for his guidance through this research project. I particularly appreciate Dr. N. B. Pandhure for their nice photography of my experimental results and useful insights into preparation of dissertation. Thank you to Dr. S. H. Mahamulkar, Shree. D. A. Kadam, Shree. P. R. Patil, Dr. A. B. Pawar, Dr. R. B. Thoke, Dr. B.A. Kore, Dr. C. T. Karande, Dr. V. C. Karande, Dr. D. N. Jadhav, Shree. Y. T. Shinde, Shree. R. B. Dhage, Shree. S. S. Gaikwad, Abhijeet Kadam and Sandip Borge for generously support encouragement, good humor and technical help.

I am also greatly indebted to Dr. M. M. Rajmane, principal of S. G. M. College, Karad, for providing facilities to work in college laboratory. I also thank to Dr. S. D. Sankpal (Former H. O. D. of Botany), Shree. V. B. Jadhav, Head of the Botany dept. Dr. A. B. Kamble, Dr. B. J. Patil, Shree. B.D. Mohite and Mrs. M.V. Kishoree for their useful suggestions and critical discussions.

I wish to thank to Agriculture Research Station, Karad for providing me the meteorological data whenever I needed. Thanks to all members of the Dairy, Hospital and Library for allowing me to do my experiments in similar areas, guidance and assistance.

I would also like to most sincerely thank to all my colleagues working at Y.C.I.S. Satara and Shivaji University research lab for their continuous support and share their research experience with me throughout my research work. I would like to send my love to my colleagues cum friends, Vijay, Ashwini, Archana, Uday, Damaji, Dhanaji, Shridhar, Rohan, Abhijeet, Sachin and Vikas who provided me a very friendly and encouraging environment, shared their knowledge and stood behind me whenever I needed, bear my great appreciations. They should be aware of that they will not be forgotten ever.

I gratefully acknowledge the help rendered by non teaching staff from Y.C.I.S. Satara and S.G.M. College Karad, Mr. Khan, Mr. Avaghade, Mr. Mane, Jagtap, Patole, Shedge, Pawar, Ingawle and Mali.

Last, but not list, I would like to thank my family, my Father Adv. Ram Hogale, my mother Mrs. Sunita Hogale and Uncle Mr. Khrushnat Hogale for giving me life in the first place, for educating me with aspects from both arts and sciences, for unconditional support and encouragement. Finally I would like to send my love to my brothers and sister, Shashikant, Santosh, Vijaya, Dhanshri, Bhagyashri, Amruta, Aditaya, Akansha, Samu, Digu, and Amol for their endless love and trust.

Mr. Kedar Ram Hogale.
