

Acknowledgement

It gives me great pleasure to express my deep sense of gratitude to my guide Dr. (Mrs.) V. C. Karande, who opened the doors of study of photosynthetic prokaryotes for me.

I would like to express my sincere thanks to University Grants Commission, New Delhi which financially supported this work and encouraged me to carry out my M. Phil Degree.

Hon'ble Principal Dr. Ashok Bhoite has always inspired students like me right from the beginning. I am fortunate that while working for this dissertation Prin. Bhoite Sir, always encouraged me and took keen interest in the progress of my work. I take this opportunity to thank Prin. Dr. Ashok Bhoite Sir for his help and kind cooperation.

I would like to thank Dr. A. B. Pawar, Head of Botany Department for providing all the necessary facilities for research work. My thanks are due to all faculty members and my respected teachers - Dr. R. B. Thoke, Dr. D. N. Jadhav, Mr. P. R. Patil, Mr. D. A. Kadam, Dr. N. A. Ghanawat, Dr. C.T. Karande, Mr. S. S. Gaikwad, Mr. Y. T. Shinde, Dr. B. A. Kore, Mr. S. N. Jadhav, Mr. N. B. Mane, Mrs. R. A. Shinde, Mr. A. S. Kadam, and Miss S. J. Ghadge for their valuable guidance and comments throughout my research work.

My thanks are due to Prof. S. Y. Kamble, Head, Department of Botany, Shivaji University, Kolhapur and his colleagues for their help rendered to me during my work.

I am thankful to library staff of our College, Pune University, as well as Shivaji University, Kolhapur for providing facilities. I am also thankful to Mr. Yusuf Khan and Mr. Subhash Awaghade and our supporting staff who provided necessary help in laboratory work.

I am grateful to my friends Shakila, Sanyogita and Sneha for their support during this work.

I have no words to mention love, affection, inspiration and moral support of my parents, brother and sister during the project work.

(Priyadarshani B. Kamble)
