

LIST OF FIGURES

CHAPTER NO.	FIG. NO.	DESCRIPTION	PAGE NO.
IV	1	Seasonal percentage Pie-chart of each spore group and other group to the total airspora during the period of 1 st November 2007 to 15 th June 2008	68
	2	Percentage contribution of each spore group and other group during 1 st November 2007 to 28 th February 2008 over Wheat field	69
	3	Percentage contribution of each spore group and other group during 1 st March 2008 to 15 th June 2008 over Groundnut field	69
	4	Monthly variations in concentration of each spore group and other group during 1 st November 2007 to 15 th June 2008	70
	5	Monthly Variations of Temperature, Humidity and Rainfall	71
	6	Seasonal and monthly variations in concentration of <i>Sclerospora</i>	72
	7	Seasonal and monthly variations in concentration of <i>Cunninghamella</i>	72
	8	Seasonal and monthly variations in concentration of <i>Bitrimonospora</i>	73
	9	Seasonal and monthly variations in concentration of <i>Chaetomium</i>	73
	10	Seasonal and monthly variations in concentration of <i>Hypoxyton</i>	74
	11	Seasonal and monthly variations in concentration of <i>Hysterium</i>	74
	12	Seasonal and monthly variations in concentration of <i>Leptosphaeria</i>	75
	13	Seasonal and monthly variations in concentration of <i>Pleomassaria</i>	75
	14	Seasonal and monthly variations in concentration of <i>Sporormia</i>	76
	15	Seasonal and monthly variations in concentration of <i>Teichospora</i>	76

IV	16	Seasonal and monthly variations in concentration of Uredospores	77
	17	Seasonal and monthly variations in concentration of Smut spores	77
	18	Seasonal and monthly variations in concentration of <i>Alternaria</i>	78
	19	Seasonal and monthly variations in concentration of <i>Beltrania</i>	78
	20	Seasonal and monthly variations in concentration of <i>Bispora</i>	79
	21	Seasonal and monthly variations in concentration of <i>Botryodiplodia</i>	79
	22	Seasonal and monthly variations in concentration of <i>Cercospora</i>	80
	23	Seasonal and monthly variations in concentration of <i>Cladosporium</i>	80
	24	Seasonal and monthly variations in concentration of <i>Corynespora</i>	81
	25	Seasonal and monthly variations in concentration of <i>Dictyoarthrinium</i>	81
	26	Seasonal and monthly variations in concentration of <i>Fusariella</i>	82
	27	Seasonal and monthly variations in concentration of <i>Helminthosporium</i>	82
	28	Seasonal and monthly variations in concentration of <i>Nigrospora</i>	83
	29	Seasonal and monthly variations in concentration of <i>Phaeotrichoconis</i>	83
	30	Seasonal and monthly variations in concentration of <i>Sporidesmium</i>	84
	31	Seasonal and monthly variations in concentration of <i>Torula</i>	84
32	Seasonal and monthly variations in concentration of Hyphal Fragments	85	
33	Seasonal and monthly variations in concentration of Pollen Grains	85
