

A C K N O W L E D G E M E N T

I am greatly indebted to Dr.B.A.Vagyani, for guiding me sympathetically and patiently throughout this work. In fact, but for his co-operation, and helpful attitude the work would never have been completed in its present form.

I will be ever grateful to Prof.Dr.B.A.Hegde, Head of the Botany Department, Shivaji University, Kolhapur, for his encouragement, valuable suggestions and advice as and when I required

I am thankful to my colleagues, Mrs. Jothi Shinde, Miss Ujjwala Badigar, Mr.Y.T.Shinde, and Nitin Desai, for their assistance at different stages in the preparation of this thesis.

My heartiest thanks to my Parents, specially my father, Prof.B.T.Patil, for his encouragement, inspiration for coming to this stage. My brothers, Chandershekar and Dr.Rajshekar and sister Savita for their kind co-operation during the period of this research work.

I must also thank my husband, Er. N.S.Biradar for stimulating me to complete the work in time and for timely advice, direction, and incitement with love and affection to pursue my research work.

My thanks are also due to Artist Deshmukh, Ayodhya and Anant Photo Studio, Typist Kumbhar, and others

Kavita Patil.
