

ACKNOWLEDGEMENT

I take it as rightful duty to express my deepest sense of gratitude to Dr. S.G. Sankpal, Department of Chemistry, Shivaji University, Kolhapur, who provided me with an opportunity to work under his erudite and inspiring guidance.

I express my sincere thanks to Prof. D.S. Ambardekar, Head, Department of Chemistry, Shivaji University, for constant encouragement throughout this work.

I gratefully acknowledge my indebtedness to U.G.C., New Delhi and Shivaji University, Kolhapur for granting me teacher fellowship. I express my sincere thanks to Principal D.S. Nemade, M.J. College, Jalgaon, and Management Khandesh College Education Society, Jalgaon for deputing me for M.Phil. course.

I am also thankful to my friends V.R. Bhangre and Miss B.A. Pawar for their help in preparing this dissertation.

Lastly, I am also indebted to Smt. Pratibha Choudhary and Shri P.Y. Patil for their all kinds of assistance and encouragement during course of this work.

Kolhapur.

Date :

D.D. CHOUDHARY
Lecturer in Chemistry,
