

: ACKNOWLEDGEMENTS :

I would like to express my sincere gratitude and appreciation for the invaluable guidance I received from Dr.M.S.Choudhary in carrying out this work. I consider it a great privilege to have an opportunity to work under him.

I would also like to thank Dr.L.Radhakrishna, Professor and Head, Department of Mathematics for his encouragement.

My sincere thanks are also due to my friends who have helped and encouraged me during the work of this dissertation.

I owe a special debt of gratitude to my parents for continuous encouragement.

Lastly, I am also thankful to Shri A.G.Gosavi for typing this thesis neatly and correctly.
