

*** * * : ACKNOWLEDGEMENT : * * ***

I have a great pleasure to have been associated with and worked under the able and inspiring guidance of **Dr. B.B. Waghmode**, Reader Department of Mathematics, Shivaji University, Kolhapur. Under whose keen supervision the Dissertation has been prepared by me. I have been receiving his valuable suggestions and constant encouragement without which it would not have been possible for me to accomplish my purpose. I take this opportunity to acknowledge my sincere feelings of gratitude and respect for his valuable help throughout the present work.

My thanks go to **Dr. L. Radhakrishna**, Professor and Head, Department of Mathematics, Shivaji University, Kolhapur, for providing Departmental facilities.

I am grateful to the members of teaching and non-teaching staff of the Department of Mathematics, Shivaji University, Kolhapur, for their encouragement and cooperation.

I wish to express my heartiest gratitudes to my brother **Dnyandeo N. Thite** and my wife **Sou. Sujata** due to their involvement during the period of present work.

I am warmly grateful to the U.G.C., New Delhi for awarding me a Teacher Fellowship for the academic year 1988-1989. Which enabled me to complete this work.

I am extremely grateful to Principal, **S. T. Kshirasagar** of Shankarrao Mohite Mahavidyalaya Akluj for providing me necessary facilities and constant encouragement from time to time in my research work.
