

ACKNOWLEDGMENT

With a deep sense of gratitude, I thank Dr. (Mrs.) Y. S. Pawar for her inspiring and ever supporting guidance in completion of this Dissertation.

My sincere thanks are due to Dr. H. V. Kumbhojkar, Professor and Head of the Mathematics Department, Shivaji University, Kolhapur for providing departmental facilities.

I would like to place a praise worthy thanks to my Father and Mother, who inspired me for higher studies.

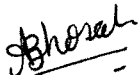

My thanks are due to Prof. A. D. Lokhande, Prof. H.V.Patil, teaching staff of Mathematics Department, Shivaji University, Kolhapur, for their timely help and useful suggestions during the period of my work.

I am thankful to my sister , my friends and my senior colleague Prof. Kalgaonkar for their constant encouragement.

Last but not least special thanks should go to Mrs.Shinde & Mrs.Dinde for pretty and prompt typing.

Place : Kolhapur

Date : 28/6/1999

Archana D. Bhosale.
