

ACKNOWLEDGEMENT

I express humbly and sincerely my deep and profound sense of gratitude to Dr. Vaingankar A.S. for his invaluable, inspiring guidance and keen interest throughout the course of this work. I acknowledge my sincere feeling of regards for the valuable discussions with him and his suggestions. I am grateful to Prof. Patil R.N., Head of the Physics Department, Shivaji University, Kolhapur for introducing me in this field.

I have great pleasure to acknowledge the help and encouragement received from the ferrite group, Dr.S.A.Patil, Dr.S.R.Sawant, Dr.A.Y.Khot, Dr.B.K.Chaugule and in particular the U.G.C. M.Phil. Teacher Fellow Mr.C.B.Kolekar of the Physics Department, Shivaji University, Kolhapur.

I must thank the Principal Shri M.M.Kadam, Balwant College, Vita and also the Management of Rayat Shikshan Sanstha, Satara for deputing me to M.Phil. course. I would like to thank the University authorities for making me available the necessary facilities for this work.

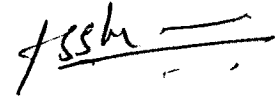

My heartiest thanks are due to the University Grants Commission, New Delhi, for awarding me a teacher fellowship under faculty improvement programme which enable me to complete this work.

I shall fail in my duty if I do not mention the help I received from the teaching and non-teaching staff of the Physics Department, Shivaji University, Kolhapur and in particular Shri R.R.Shinde a peon, working in M.Sc. electronics laboratory.

Finally, I acknowledge the encouragement I received from the members of my family without whose help, cooperation and utmost patience this work would not have been what it is now.
