

ACKNOWLEDGEMENTS

The work described here would not have been possible without care, guidance and constant encouragement afforded by my research guide Dr. M.R.Mulla, Department of Physics, Yashwantrao Chavan College of Science, Karad. I therefore, like to record my grateful thanks to him. I remain extremely grateful to late Principal R.M.Raverkar, who gave constant encouragement to the research activity of Department of Physics Yashwantrao Chavan College of Science Karad and encouraged me too during the course of work. I am also thankful to Principal V.A.Jamadagni and Dr.S.G.Sabnis for their cooperation in providing necessary laboratory facilities and stay during the course of experimental work. My thanks are also due to Principal Dr.T.K.Pawar, Dahiwadi College, Dahiwadi and Secretary Rayat Shikshan Sanstha, Satara for their heartfelt cooperation.

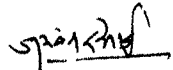

I am extremely grateful to Prof. R.N.Patil, Head of the Physics Department, Shivaji University, Kolhapur for providing all necessary cooperation whenever needed. I express my heartfelt gratitude to Dr.R.D. Lawangar, Department of Physics, Shivaji University, Kolhapur for his cooperation in experimental work. I am also thankful to Dr.S.H.Pawar who offered the best of cooperation during the course of dissertation work. Sincere thanks to Dr. S.A.Patil, Department of Physics, Shivaji University, Kolhapur and Prof. K.M.Pai, Head R.S.I.C., I.I.T. Powai, Bombay for their help in XRD studies.

My colleagues S.S.Dange, S.S.Rankhambe and R.P.Rajmane are acknowledged for their continued inspiration.

No words are enough to express my heartiest gratitudes to my parents, brother and wife without whose support this thesis would have never seen the light of the day.

Finally, I put on record my grateful thank to Mr.Gosavi for his expert, neat and careful typing.
