

ACKNOWLEDGEMENTS

I am greatly indebted to Dr.S.H.Chavan, Department of Physics, Shivaji University, Kolhapur for encouragement and the valuable research guidance that I received throughout this work. Discussions with him on the work concerned and on the problems of physics in general have always been enlightening.

I will be failing in my duty if I do not express my debt of gratitudes to Shivajirao Bhosale, Vice-Chancellor Marathawada University, Aurangabad. I shall always remain indebted to him for his help and inspiration at every stage in the progress of my work. Words are indeed inadequate to express my deep sense of gratitude towards him.

I am grateful to Principal V.M.Deshmukh, Mudhoji College, Phaltan for his help in some way or the other. I also thank my co-workers Mr.A.P.Kashid, Mr.T.A.Patil, Mr.R.T.Patil, Mr.V.V.Patil, Mr.N.B.Patil and Mr.T.S.Magadam and non-teaching staff of Physics Department.

I am thankful to Director, R.S.I.C. Nagpur for making available X-ray diffraction facilities. Responsibility of photographic work was successfully borne by Mr.K.C.Sawalagi, I thank him for the same. My thanks are also due to Mrs.Ratna Prasad for neat computer typing of the dissertation.

My greatful thanks are due to Dr.R.N.Patil, Professor and Head of Physics Department, Shivaji University, Kolhapur for encouragement and making available possible facilities.

It is my duty to thank authorities of Shivaji University, Kolhapur, for making available required facilities in time.

Place : Kolhapur.
Date : 10/5/89
